

**Comments on  
11 kV GBI Scheme - JNNSM**

# Technical Queries

- Domestic content (Cells & Modules)
  - Stage-wise domestic content enforcement
- Technology Agnostic (All Commercial Technologies)
- Scheme Coverage from
  - 100kW to 1MW
  - 3MW to 5MW
- Feeder outages/ Deemed Generation

# Financial Queries

- Rationale for arriving at base rate - Rs 5.50/ Unit
- Equity requirement to be reduced
- Value of land if owned to be included as Equity
- Availability of Depreciation Benefits
- Stringent enforcement penalties, to be diluted
- High quantum of BG, to be lowered
- Tariff to be based on Insolation Levels

# Procedural Queries

- Project Selection by State Competent Authority
- SERC should follow CERC T&C on Tariff
- Assured payments from DISCOM
- Single-window clearance mechanism
- Should be consistent with NVVN scheme
- Land Requirements
  - Should not be insisted at the time of pre-registration
