Confederation of Indian Industry

the CII membership helpline enables you to

Get updates on

- CII activities, events and initiatives
- Broad industry trends and related data
- Government notifications and policies

Understand

- The depth and range of CII's various services
- CII's views on key policy issues
- Membership benefits and advantages

Communicate

- Your industry specific issues of concern
- Changes in your contact details
- Suggestions, ideas and inputs

CII's dedicated Membership Helpline Service is a one-stop solution for all your information needs.

Our experienced (in-house) team will offer prompt and relevant responses to your queries.

We invite you, and colleagues in your organisation, to reach out to CII, for information, advice and guidance on industry – related issues.
